

Daily Percussion Rehearsals

- Show up to the band room (on time)
 - Check the board for setup information and what we are doing.
 - Get music, sticks/mallets (whatever is needed), and a PENCIL!
 - Setup the instruments you need and begin to warm-up (stretch out your wrists, play a few licks on whatever instrument you have).
 - Mr. Cartner will give a count off to play the rhythm written on the board
 - You must be ready to play within 3 minutes of the bell.**
 - I will start marking you tardy and you will lose participation points if you do not have all materials and are not setup by the 3 minute mark.
-

- Warm-up rhythm played all together (Begin to adjust your focus towards music)
- Mini Music Theory Lesson (These will help making music easier!)
- Warm-up (scales, rhythms, etc.)
- Rehearsal of concert pieces/percussion ensemble (This is a culmination of the previous steps. Applying information gathered from the previous steps will help us to effectively rehearse and master the music.)
